

**Aberdeenshire
Health & Social Care
Partnership**

We would like to acknowledge the work of unpaid carers throughout Aberdeenshire and wish to invite you to an event in your local area.

Take some time out to join us for an afternoon in the company of other carers and find out what the Carers (Scotland) Act 2016 will mean for you. You will also have the opportunity to find out about local resources and meet with the Health and Social Care Managers in your area.

We will be announcing the winners of the poetry and photography competition run jointly with Quarriers. Refreshments will be provided.

Monday 16th April
